Dedication

We dedicate the 2014 Millbury Memorial Junior Senior High School yearbook to our teacher, advisor, and friend,

Mrs. Marisa Cote

Mrs. Cote began teaching at Millbury in August of 2001. She has taught a variety of English classes, adding Advanced Placement English Language Composition to the curriculum this school year. Mrs. Cote has successfully overseen the production of the high school yearbook for the last 10 years.

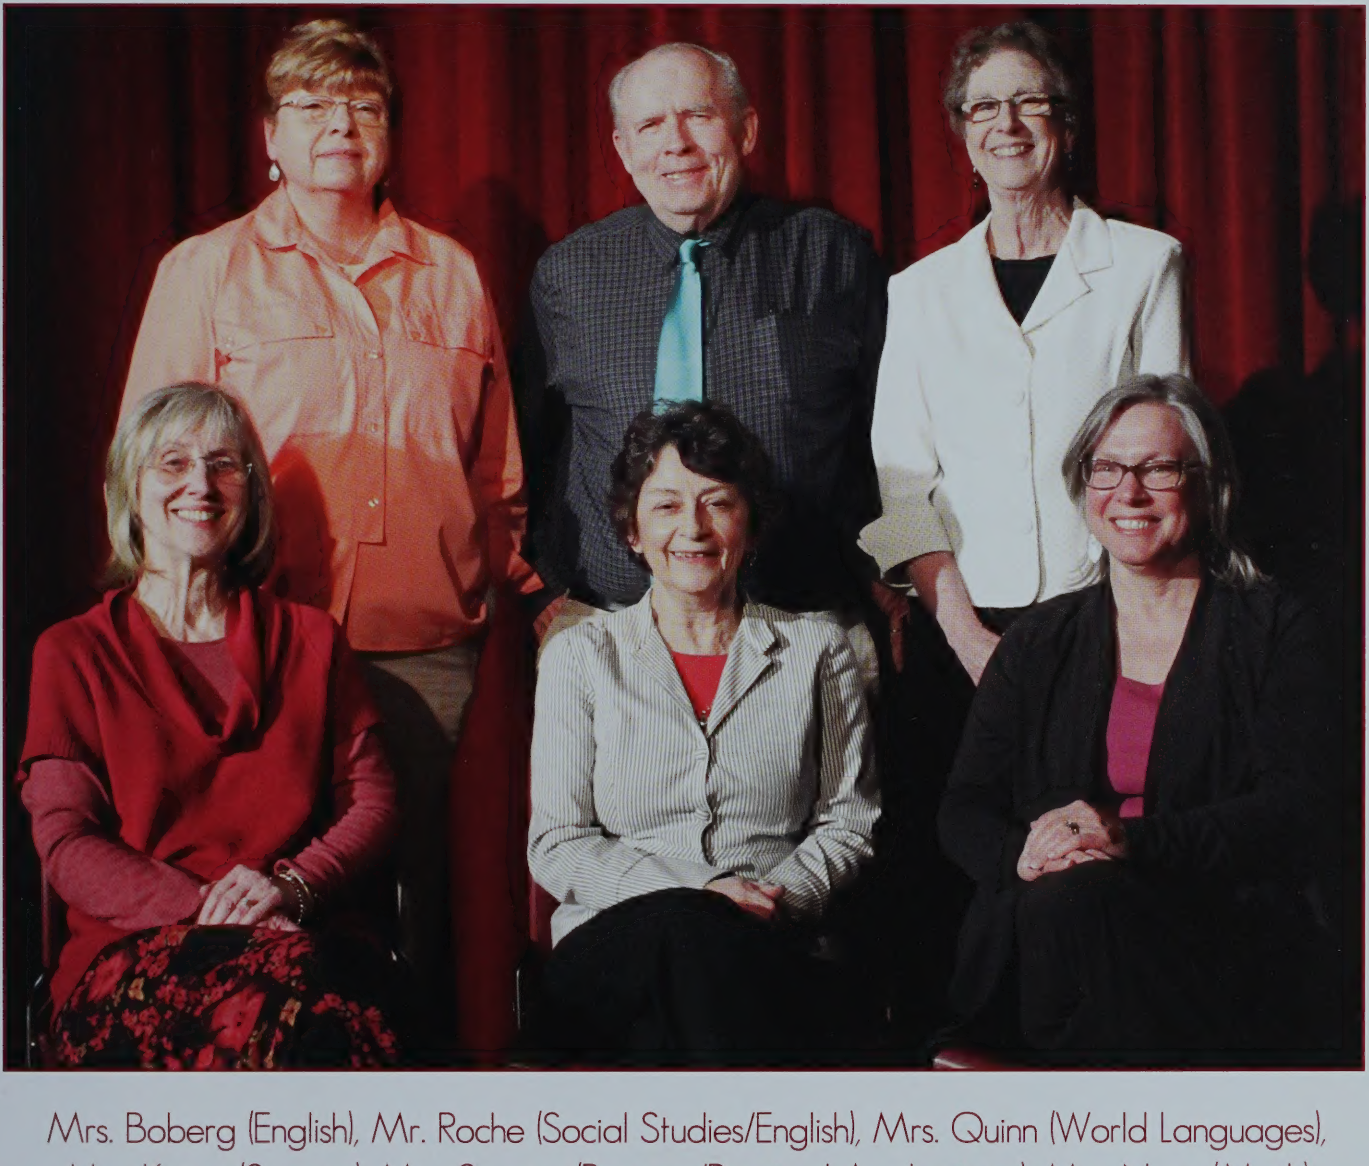
On April 4, 2013, Mrs. Cote was diagnosed with breast cancer. Although the news was a shock and a life-altering moment, she chose to fight for her life. In her own words, she describes it as, "...today I realized that I was in for the fight of my life." And fight she did! On May 8, 2013, Mrs. Cote had surgery. Everything went well and she was resting at home a day earlier than expected. Three weeks later, she was back at school finishing the school year.

In this past year, Mrs. Cote has never used her illness as an excuse. She continued fulfilling her responsibilities as the English Department Director, working with her colleagues during common preparation meetings as well as setting up curriculum work for the summer. Mrs. Cote also attended the required training for AP instruction, beginning the junior level AP English as an academic selection this year.

This dedication is presented to Mrs. Marisa Cote for the remarkable example she has set for the Millbury community. She has exhibited strength and determination that Cancer would not keep her down. Her positive attitude has affected all who have worked with and supported her this past year.

Keep Fighting Mrs. Cote, you're our hero!

The Class of 2014 would like to thank the retiring teachers for all of your hard work and dedication throughout the years.



Mrs. Boberg (English), Mr. Roche (Social Studies/English), Mrs. Quinn (World Languages), Mrs. Kerins (Science), Mrs. Saucier (Business/Practical Applications), Mrs. Nyce (Math)

Just like a lot of teams there was quite a lot of uncertainty going into the season after losing eight seniors, all of whom were a huge part of the team. We were the returning SWCL champs and at first we were not sure if we could defend our title or not. Our team looked to be a relatively young one, but one thing was for sure, we definitely had potential. After a ton of hard work, a few long talks from the coaching staff, and a few Twizzlers from Mrs. Parenteau, we went on to make districts with ease and defend our title as SWCL champs.

We had such a great season. We won every game we needed to and only lost games when we were out matched. The team bonding was always so much fun. We worked hard at practice, and it was such an awesome season! The seniors want to thank all of the girls for being amazing. Soccer was everyone's favorite season and we appreciate all the hard work and fun that happened this fall! Love you girls!

Due to the small team this season it was a tough one to endure. However [illegible] team we held our ground and put [illegible] formidable fight despite the odds [illegible] toughest defeats of the season [illegible] Shepherd Hill, Tantasqua and Auburn. Our victories included Bartlett, [illegible] Northbridge, Leicester, and Southbridge. With only four varsity runners we had to bring up runners from the Junior High. However our Junior High students performed remarkably well at the varsity level for their age. We are looking forward to next year especially since our team will do better.

The 2013 cross country season was the best cross country season Millbury has ever experienced! These tough ladies were SWCL champs and even set a few course records here and there. They managed this success with every single(almost) girl on the team injured too. The team will be losing two seniors, however there is a wonderful strong group of younger girls ready to run and who are more than capable of continuing and furthering the success of this amazing little team. A special thanks to Coach DiGangi for making the runners the absolute best they could be and having lots and lots of faith in them.

The boys varsity golf team had a tough season. Although the boys struggled at times, they were able to win some key matches, such as the one against Uxbridge. Led by captain, Colin Huban, the players always tried their best in each and every match. Even though the season didn't turn out exactly as planned, the golf players had a lot of fun. The team is looking forward to competing next year.

Under the leadership of captains Tristan Cano, Nick Mogren, and Nick Guaragno, the team made great improvements from previous seasons. The team played hard night in and night out and never gave up. Unfortunately the post season was not made. However, the groundwork was laid for a new era in Millbury boys basketball, and there is great hope that a winning culture will be established in the future. First-year coach Dave Padavano played an influential role in the turnaround season and will be an excellent fit for Millbury in the years going forward.

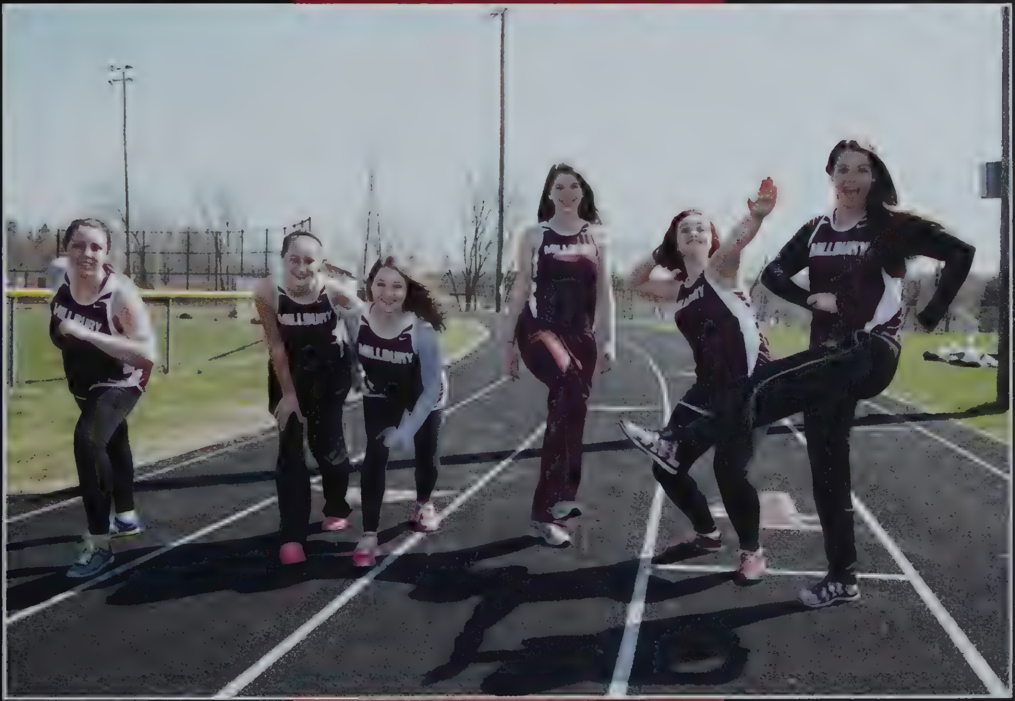
Chapter Eight:
The Supplement



Softball

Coach: [illegible]

[illegible] O'Leary, [illegible] Maria DiDomenico, [illegible] DiDomenico, [illegible] Bell, [illegible] Mitchell, [illegible] DiDomenico, [illegible]

"Are those stockings?"

sigh No, they're high socks...

Seniors

Shannon Latimer and Maria DiDomenico

With hardly enough girls to form a JV team the softball program had a pretty rough start. However after [illegible] practices at working incredibly hard the varsity team was able to work together and be competitive in the games winning a few against teams they had trouble with in the past. Throughout the season the girls had a whole bunch of fun and even discovered some singing talent! Kind of! Being quite young and only losing two wonderful seniors, there is a lot of promise in the quality [illegible] the team.

This boys' varsity baseball season was one to remember. The guys really came together as a team and played some great baseball. They got their coach's 500th win and [illegible] district semi finals, against all odds. The players had a lot of fun along the way and showed what Woolie baseball is all about. The seniors will miss the underclassmen who are going to be a strong team next year

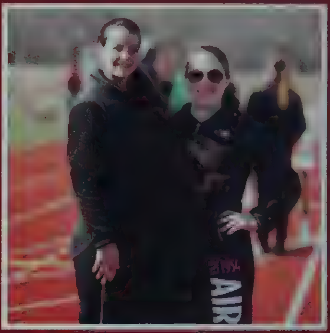
[illegible]

"Three to a seat!"



Seniors

[illegible] Moseley, Gabby Prominski, Elizabeth Mahon
Sarah Vickstrom, Lindsey Crain, Robyn Thornburg

The Girls' Track team had a rough season due to some [illegible] teammates graduating last year and a few injuries. The girls were still able to get a number of wins and had a strong end to the season. They were even able to tie for SWC champs. Although Track consists of individual events, the team knows how to come together to get the win. The girls really gave it their all and hope to come back even stronger next year.

Seniors

It was a tough season for the Boys' Track Team. Although the boys practiced hard and always gave it their all, they struggled during the meets. The boys were strongly led by senior captain Frankie Gallagher. All of the team members, especially the seniors, had quite a memorable season and also a lot of fun. Luckily the boys were able to end their season with a win against David Prouty.
